

ICC WOMEN'S WORLD CUP 2017: FREE TICKET OFFER FOR SCHOOLS

Dear Sir / Madam

This summer the best female cricketers from around the globe will be playing on your doorstep as they compete in the pinnacle event of the international game, the ICC Women's World Cup here in England, and we are delighted to be able to offer pupils from your school the opportunity to be inspired and watch the action for free.

The International Cricket Council (ICC) has worked closely with the England and Wales Cricket Board (ECB) to provide schools in Somerset with free tickets for students and staff to this flagship global event.

The free ticket offer for schools is available for all group stage matches at the Taunton County Ground throughout the tournament. A full outline of match dates can be found on the back of this letter.

HOW TO BOOK:

Simply complete the form on the back of this letter in full, indicating which matches you would like to attend and the number of tickets required, and please return it to:

ICC WWC 2017 School Ticket Offer

Sarah Trunks
The County Ground
Taunton
Somerset
TA1 1JT

Or email your request to: saraht@somersetcountycc.co.uk

All application forms must be received by **5pm on Monday 8th May 2017**, and you will be sent a confirmation email as soon as your application has been processed.

There are a limited number of free school tickets available for each match, which will be allocated on a first come first served basis, so please book early to avoid disappointment.

Unfortunately there isn't any parking available at the venue, and schools will have to take responsibility for their own travel arrangements to and from the venue. More details about designated drop-off and pick-up points will be shared ahead of each match.

All tickets allocated through this offer will be seated within designated areas of the ground, which will be stewarded to ensure high standards of behaviour, health and safety. However, please note that neither the ICC nor ECB will not be able to take any responsibility for pupils whilst they are in attendance in the ground, and the school therefore will need to ensure that the appropriate number of adults are present within the group to supervise pupils. Adult tickets will also be available free of charge up to a ratio of one adult per five pupils. If you require more than this number for any reason, please highlight the request on return of this form.

We look forward to seeing your school in June and July.

Yours sincerely,

Steve Elworthy
