

# Exeter Chiefs Community Rugby SEND Festival

Friday 18<sup>th</sup> June

11.30-1.30pm but please arrive from 11.00am

At Topsham Rugby Club, Bonfire Field, Exeter Rd, Exeter Devon EX3 0LX

This will take the format of a festival, and teams will remain in their “bubbles” and work with coaches from the Exeter Chiefs Community programme.

This will also enable schools to bring “teams” of children of the age group and ability that they would like to, and the coaches will design the session around the pupil needs.

It is suggested that a team consists of about 10 children, but schools could bring 2 or more teams. The sessions will be NON contact and will work to develop basic skills and games.

There is excellent parking at the venue as well as disabled toilet facilities. It will be played on grass.

Children will need to wear suitable clothing and to bring refreshments and drinks.

**In order to take part please reply promptly by Friday 21st May to confirm your place to me at [ckilburn@orchard-manor.devon.sch.uk](mailto:ckilburn@orchard-manor.devon.sch.uk). I will need to know:**

- How many teams you wish to enter
- What ability level
- What age

# Devon Cricket SEND Festival 2021

**When: Friday 9<sup>th</sup> July**

**Time: 11.00-2.00pm but please arrive at 10.45am**

**Where: Bovey Tracey Cricket Club, Newton Road, Bovey Tracey, Devon**

**'A Game for Me'**

Placing cricket at  
the heart of our  
communities

1. **Kwik Cricket Competition** - This will be based on the Kwik Cricket format. It will be 8 aside teams and **aimed at KS3 & KS4**.
2. **Super 1s Festival** - The children will again be a team of 8 children. They can be from KS 2-4. Before lunch the children taking part in this festival will rotate around a series of cricket related activities that will be based on Super 1s activities. After lunch the children will use the skills learnt in the morning to play an adapted cricket based game such as "caterpillar cricket" or "bats". Staff coming with the children will need to be ready to adapt and improvise on the activities as they rotate around the stations so that they fully fit the needs of their team.  
*There is excellent parking at the venue as well as disabled toilet facilities. It will be played on grass and is **open to all ages**.*

*Children will need to wear suitable clothing and to bring lunch and drinks.*
